

“The tuck-pointing sample is excellent and will greatly improve the appearance of the brickwork.”

Jonathan Hardy – Team Leader, Barnet Heritage Team

Scope of Works

Working with Farrans Construction, our specialist team carried out works at the Grade II listed Hendon Hall carrying out a series of control samples, whilst procuring matching façade materials to provide seamless brickwork repairs and restoration. These proprietary works were carried out under meticulously recorded controls and in close liaison with both Farrans and the Heritage Team at the London Borough of Barnet. Other works included:

- Rake out and replace existing tuck pointing
- Stone repairs/replacement
- New lead work to cornices and window pediments
- Replacement rainwater goods
- External decorations
- Architectural metalwork
- Bird protection
- The repair and reinstatement of 2 no large Portland stone Obelisk's
